What's On

PE will be on Wednesdays and Thursdays

English

Non Chronological Report

Narrative

Recount

Maths

Multiplication and Division:

- Multiply a 2-digit number by a 1-digit number
- Divide a 2-digit number by a 1-digit number

Science

Our topic this half term is 'Forces—friction and magnets'. We are lucky to have a visit from Captain Chemistry to kick-start our topic on Friday 5th January.

PSHE/RSE

- Recognising respectful behaviour; recognise and care about people's feelings; respect others' points of view.
- Awareness of different types of relationship, including those between acquaintances, friends, relatives and families, romantic relationships and online relationships.

History

Our topic this half term is 'Romans'. We will learn about the Roman Empire and how this had an impact on Britain at the time. We will also learn about the lasting impact of the Roman Empire.

Computing

We will be learning how to programme music using Scratch.

Design and Technology

This half-term we will be looking at wearable technology. We will look at how technology has changed in recent years and design and evaluate a product.

Music

Listening: identify instruments; Composing: create rhythms, add actions, improvise melodies; Performing: ostinato rhythms, chant and play 2 part, 3 part & 4 part rhythms, conducting, group ensemble, sing in character

Class Assembly

Thursday 28th March 2.30 in the school hall.

Reminder...

Please send a full water bottle to school with your child.

Library books will be changed on a Friday.

Homework is to complete one 'Win' on Winning with Numbers: <https://app.wwnumbers.com/>
